TECHNOLOGY BUYBACK PROGRAM

Recoup the highest value for your used Chromebook devices with AGParts Education's Technology Buyback Program. Whether your district is refreshing devices or looking to get the best value for your older fleet, AGParts Education offers the simplest and most lucrative way to get cash or credit for your used devices.

TOP DOLLAR PAYOUT

Our network of schools and customers across the globe allows us to pay top dollar for your used devices.

KEEP FUNDS WITHIN YOUR TECHNOLOGY BUDGET

Your payout amount can be credited to your account and used towards future purchases. This credit option helps to keep funds within your technology budget.

FREE SHIPPING AND PACKING MATERIALS

We provide free shipping and all packing materials needed at no additional cost, and also offer complimentary white glove pickup service for qualifying buybacks.

STUDENT DATA PRIVACY

We operate under the National Institute of Standards and Technology (NIST) guidelines to ensure your students' data is protected and issue data privacy certificates upon completion.

TECHNOLOGY BUYBACK PROCESS

REQUEST QUOTE

Fill out online buyback form or email us to provide information pertaining to your devices.

DEVICE PICK UP

Free shipping or white glove pick up service will be provided to send in your devices.

REDEEM

After devices are received, we will begin to process your check or credit.

DEVICE GRADING & REPORTING

After your devices are received at the AGParts facility, we will begin our detailed grading process. This process takes approximately 30 days and upon completion your school district will receive an outline providing the final grades and total monetary value of your devices.

No deductions for missing accessories or engravings!

A GRADE

Device is fully functional condition, like new. No visible scratching, blemishes, dents on any parts of the machines.

B GRADE

Device is fully functional condition, with minimal scratches on the plastics, no screen scratches. Minimal wear on the keyboards, no missing keys, minimal scratching on the plastics, no broken plastics.

C GRADE

Device is fully functional condition, with visible scratches on the screen and plastics. Medium wear on the keyboards, no missing keys, scratching on the plastics, minimal broken plastics.

D GRADE

Device is in working condition, with severe cosmetic damage to the screen and plastics. Multiple deep dents deep scratching, heavy keyboard wear, missing keys, multiple broken plastics.

F GRADE

Device is non-functional. Multiple broken parts, motherboard is non-functional or locked.

FREE SHIPPING MATERIALS & WHITE GLOVE SERVICE

AGParts Education offers free shipping materials and labels for all buyback transactions. White glove pick up service is also available free of charge for qualifying school districts with a large amount of devices.

PAYMENT INFORMATION

Once we complete your buyback audit, you will be provided with an electronic copy of your detailed grading report and final monetary value of your devices. In addition to receiving a check, your buyback payout amount can also be applied to your account as a credit to be used towards future purchases.
